

Guest Playing Policy

NYSA/Oklahoma Celtic has a no guest playing policy for Academy/Competitive level players through U15. Players in the U16-19 showcase ages may guest play in showcase events if it fits their team schedule as it gives them an extra opportunity to be seen by potential scouts.

The technical staff wants to make sure players are getting enough rest and are fulfilling the training to game ratio that has been set forth at the beginning of each year. To manage the player's development and time on the field, we encourage players and our staff to have player's guest play within our club.

We will search within our own teams first when a team needs guest players so that we can develop and promote from within. In the event, there are no players available within their own age group and the age group below them our coaches may look to add guest players from outside the club.
