

## Player Release Policy

After a player commits to a team and completes registration with NYSA/Oklahoma Celtic, the player is considered registered to the Club. Each player is bound to the Club for the entire seasonal year for competitive teams and full-year registrations, which runs from August 1 of one year through July 31 of the following year.

Any player leaving the competitive or academy program will complete a drop form provided by their manager in order to stop the automatic billing of their account.

WITHDRAWAL FROM COMPETITIVE ([CLICK HERE](#)) The withdrawal fee for a competitive player to move to another club is \$150. All fees due to the club and team must be paid before the release of the player to leave/transfer from our club. The following is required from parents before billing will be discontinued.

1. Withdrawal from competitive team-Parent will submit the above form to the NYSA office. After all team fees are covered, NYSA will discontinue monthly billing-we reserve 30 days to complete this transaction and the process begins once the paperwork is received in the NYSA office. It is 100% responsibility of the PARENT OR PLAYER not the coach/manager to initiate this process and refunds will not be retroactive. Withdrawal at the beginning of the season, the player will forfeit their registration fee.
2. Transferring to another club-unless a player is physically moving from the OKC metro area (proof required), the player will submit a withdrawal form and a transfer form. The NYSA office upon receipt of withdrawal form will clear team fees, however, billing from Celtic will not cease until the transfer form with a \$150 check is turned into the office. Celtic will then release the player to another club.
