

Player Release Policy

After a player commits to a team and completes registration with NYSA/Oklahoma Celtic, the player is considered registered with the Club. Each player is bound to the Club for the entire seasonal year for competitive teams and full-year registrations, which runs from August 1 of one year through July 31 of the following year.

Players wanting to withdraw from the club, for any reason, will have our blessing and will be released immediately upon request. However, the withdrawal policy will be in effect (below).

WITHDRAWAL FROM COMPETITIVE/ACADEMY

Please email your coach/director of your program and the club's administrator when you are withdrawing from the competitive/academy program.

Registration fees will be reduced to **50%** for any future balance remaining on the parents' accounts.

Celtic will adjust this if there are any extenuating circumstances, such as medical conditions, etc., but documentation will be required.
